On the 5th Sundays during the year instead of having a 5pm service, we encourage our members to invite other Landmark members and visitors into their homes for a time of fellowship.

Use this time to get to know your church family better!

As many of you know, The Center in Kaufman provides boxes of food weekly to those in need in our community. One way we can help the needy in Kaufman is to provide non-perishable food items to the center to be placed in these boxes.

We now have a table in the foyer by the church office where you can place donated food items.

We are currently collecting:
Rice- Any kind (bagged or boxed)

NEW PRAYER REQUESTS THIS WEEK:

Please keep **Abbey Villarreal, daughter of Mike & Kim Burt**, in your prayers. Abbey is really struggling with physical and mental health issues. She has reached a point where she has no motivation to do anything at all. Please be in prayer that the doctors can get to the root of the problem and find some solutions for her. Thank you.

Please keep **Glendale Phillips** in your prayers for healing. Nancy called and said Glendale took a hard fall Monday morning. They do not think any bones were broken, but he is very scraped up, bruised and sore. Prayers for his healing appreciated.

Kevin Wright has been in the hospital recovering from gall bladder surgery. The surgery was more extensive than expected and took quite a bit longer than expected due to a significant amount of infection present in and around the gall bladder. He will have a drain tube for at least a week. Please keep Kevin in your prayers for healing and that the infection remains under control and no other complications arise.

Ashley Tarleton took a hard fall Wednesday evening and the way she fell caused her achilles to separate. She completely tore open the area where she had her surgery. They were able to clean the area, and get it closed up for now, but she is waiting on the results of an MRI to determine if she will need an additional surgery to repair the damage. Prayers are greatly appreciated. Ashley and the whole family wanted to express their gratitude for all the love that has been poured out on them following her surgery. We will let everyone know, but most likely we will extend the food train since she has taken such a set back.

Cody Brantley has asked us to please add **Tonya, one of his co-workers**, to our prayer list. She was just diagnosed with stage 4 pancreatic cancer and only been given a few months to live. Please keep Tonya and her family in your prayers during this extremely difficult time.

Laura Raitt has developed a bad case of the shingles. She is in quite a bit of pain. Prayers for her healing are appreciated.
